He investigates the murder of a female naval officer, Captain. Rustom revolves around an honest and brave Navy officer, Rustom Khan, (Akshay Kumar) whose name is taken by the navy ship. As a result of an incident involving his sister and an inter-service rival, he decides to stay in the Navy. He is given a command in the Naval ship 'Rustom' named after himself, under a Chief, Lieutenant Dixit (Arjan Bajwa). Plot On a ship which changes location, Rustom tries to solve the mystery of a murder.

He learns that one of the ship's officers, Kamal Rai (Ileana D'Cruz) had lived in the ship before, and had a serious love affair with her superior officer, Captain Radha Sharma (Smita Jaykar). They are both killed after some interference from the Naval hierarchy. Rustom has to keep the truth from the hierarchy and from the navy that he is close to Radha and Kamal. He also has to protect his own sister, Jasleen, who is on the ship with him. Cast Akshay Kumar as Rustom Khan, a navy officer who takes the name Rustom in honour of his favourite dog Esha Gupta as Jasleen Ileana D'Cruz as Kamal Rai Arjan Bajwa as Lieutenant Deepak Dixit Smita Jaykar as Captain Radha Sharma Vikrant Massey as Sub-Lieutenant Aseem Kumar Akshay Sharma as

Navy pilot Production Development On 29 July 2016, Rustom was officially announced by Rakesh Roshan and Ajay Bhattacharya. The film is an official adaptation of a novel called Rustom written by Sushil K. Maheshwari. The novel was made into a film in 2006 called Ek Rustom. The film was also made in Hindi in 2016 with Akshay Kumar as the lead actor. The novel and the film were made into the same Hindi film in 2016. Casting Akshay Kumar first appeared on the cover of the film's launch poster with the name Rustom. The character he portrayed, Rustom, is the titular character in the novel, and the film. It is
